Welcome to Aumorto

The millennial generation lead busy lives, their fast-paced careers necessitate moving to other places, other countries, to even other continents. They neither have time nor practical means to take care of their ageing parents on a continuous basis. Moreover, elderly parents are reluctant to relocate and adjust to a different culture. This is understandable, we must be sensitive to this need: here at Aumorto we are sensitive to this need.

The initiative is supported by TATA TRUSTS – one of the most reputed institutions of India. Guided by the ideals and values of Sri Aurobindo and The Mother, nestled in Uttarbhag near Baruipur, about 40 km away from the hustle and bustle of Kolkata, Aumorto offers secure, high comfort, healthy senior living in harmony with nature and an abundance of cultural activities.

The concept of old-age homes has indeed been reinvented. A truly new-age senior living with timeless values, inspiration and elegance is here! **Without the hassles and worries of home ownership.** Call us for a visit to Aumorto.
